MINUTE ENTRY

The court has this case pending dismissal for a lack of prosecution on march 27, 2014. That date passed without any action. However, the court extends the date for dismissal without any further action to July 27, 2015.

The court's review of the file shows that the person entitled to the remaining \$10,000 (approximately) is Darlene Boyd. It appears as though she was a widow, and to that extent may be now also deceased. The court and the parties have been trying to contact her, in order to give her notice that she may be able to collect the excess proceeds from the sale of her home at 327 north 85<sup>th</sup> Place, Mesa, AZ 85207. There has never been contact with her. However, the court received a returned letter indicating a forward address to Kendra Lee Andrews, who may be a surviving heir or daughter, or something. To that extent the court will endorse this minute entry
